## 👤 ABOUT.

I'm an ICT professional with a strong foundation in system development, IT support, and digital transformation. With hands-on experience in designing and deploying tailored software solutions, my skill set spans across app development, database management, IT infrastructure support, and user training.

I bring a problem-solving mindset, a collaborative spirit, and a commitment to delivering technology that solves real-world challenges. I'm passionate about using ICT to improve public service delivery, drive organizational efficiency, and empower users through smart, sustainable tech solutions.
